Consultant

Full time vacancy to join a boutique strategy consultancy that delivers client-side consulting and private equity transaction support across Asia-Pacific.

Based in Sydney, this role involves regular travel within Asia and we are looking for candidates who are fluent in English and Mandarin.

Candidates will have at least 3 years of business experience and will have a solid academic background.

You must possess strong commercial acumen, be well organised, have an entrepreneurial streak and be willing to learn in a dynamic, small company environment.

Remuneration

- \$70k - \$100k (dependent on experience)
- Performance-related bonus
- For exceptional candidates there is the possibility of becoming a shareholder in the business over time
